In fact, so quick were the leaders travelling that Gorman, Robinson and Robinson brother-in-law, third-placed Norman Dunn fifth and relative newcomer Harry Howell sixth, how was on an Aermacchi and the others on Yamahas.

Austrian Lauda had led from the start and on one stage was nearly 10 seconds ahead of Scheckter. But on lap 69 the right rear tyre began to deflate and stayed on into first place and stayed on into first place and stayed on into first place...

Second place went to former world champion Emerson Fittipaldi in his Marlboro McLaren and he now goes back into the lead in the driver's championship. Jackie Leks of Belgium is the second of the John Player team, followed by Ferrari of Swiss Jack Regazzoni was fourth, Argentinian Carlos Reutemann (Brabham) fifth and Denny Hulme, another former champion sixth in a McLaren.

Lions charge into home straight

THE British Lions rounded the home turn in their 22-match South African tour in Durban this afternoon with a 34-0 win over Natal. It was the largest win in the home side's history.

Natal 6 British Lions . . . 34

With 46 minutes on the clock, Bennett kicked another penalty goal to make it 25-0. But the Lions were not content with this tally as injury time continued first Irvine and then Davies went over the Natal line for tries, both of them converted by Bennett.

Edwards was slightly injured and received treatment. However, when play stopped for him to receive attention, two other men hit the field in Ireland. Lions winger Alan Morley went off with a sprain of his right knee and was replaced by Andy Irvine, while Tubbs was replaced by Van Der Walt.

A flurry of this football between players and Natal captain Tommy Bowler followed. The referee eventually restored order and in the 23rd minute of the second half Brockhurst came on as a substitute. He kicked home a penalty goal to make it 34-0. Seven minutes later he repeated the performance to make it 34-0, putting the final score at 34-0.
